

Rhinestone buttons

We emphasize the quality

The rhinestone buttons are beautiful as well as useful. They will improve your clothes in an original way and turn the ordinary things into timeless pieces of clothing.

There is a large selection of all sorts of shapes, sizes and colours. You can choose from a wide range of surface treatment. Only a small part of our large rhinestone collection can be found in the catalog. We will gladly send you the other options at your request or we will process your own design.
